### **DETAILED ACTION**

1. A request for continued examination under 37 CFR 1.114, including the fee set forth in 37 CFR 1.17(e), was filed in this application after final rejection. Since this application is eligible for continued examination under 37 CFR 1.114, and the fee set forth in 37 CFR 1.17(e) has been timely paid, the finality of the previous Office action has been withdrawn pursuant to 37 CFR 1.114. Applicant's submission filed on August 22, 2006 has been entered.

#### ***Claim Rejection 35 U.S.C. 251***

2. The supplemental reissue oath/declaration filed on August 22, 2006 is defective because the error which is relied upon to support the reissue application is not an error upon which a reissue can be based. See 37 CFR 1.175(a)(1) and MPEP § 1414. The declaration states: "More particularly, it was error not to include the specific weight ratio of olanzapine to Drug Useful in the Treatment of Pain in claim 12. By not including this specific weight ratio, I *erroneously claimed less* than I had a right to claim." (emphasis added). Note, the weight ratio in original claim 12 is "one part of olanzapine to from about one part to about 30 parts of drug useful in the treatment of pain." See, claim 7, on which claim 12 depends. The scope of the original claim 12 is much larger than the scope of the amended claim 12 herein. Therefore, applicant actually claimed more than what is claimed now.

3. Claims 12-14 are rejected as being based upon a defective reissue oath under 35 U.S.C. 251 as set forth above. See 37 CFR 1.175.

The nature of the defect(s) in the oath is set forth in the discussion above in this Office action.
